LETTER OF RECOMMENDATION

Date – 08th October 2023

To Whom It May Concern

It is my pleasure to recommend Joy Deep Saha for the position of **Business Analyst**. I had the privilege of working with him at ForeTeach from 2nd April 2023 to 2nd October, 2023.

He was allotted the role of the Founder Community Manager & a Business Analyst under my wing to manage our student community and to conduct business analysis on several levels across the community.

He has a great sight for detail and is very good at finding out key insights from regular data. He is very well-aware of the things that he is doing and is quite a dependent team member. He possesses all the good qualities that any Business Analyst should have.

He is quite flexible in his approach. I do believe that he is ready for an even greater role. He will make an excellent addition to any team.

I would highly recommend him. Should you have any questions regarding the same, please do not hesitate to contact me.
